Do you find the one you have bestowed your affections and trust upon acting cool and independent? Has a rival or obstacle of any kind crept between you and your future hope, or has the demon Rum assailed the quietude of your happy home? If so, come to this gifted medium and find help. I will guarantee to tell the names of your rivals, also tell you how to win your heart's desire quickly and overcome your rivals or obstacles, existing between you and future happiness.

Are you in trouble? Do you find with all natural gifts and talents that you are baffled, discouraged and unsuccessful? If so, come and be advised. Find out the cause of your bad luck and how you can change your bad conditions to those of success, joy and happiness. Thousands live to-day to bless and give credit of their success and happiness to my wonderful help. I have others—why not you? I never fail to cause speedy and happy marriages with the one of your choice, reunite the separated, locate absent friends and buried hidden treasures, give you luck to win your biggest wish, overcome bad luck and sorrow of all kinds, and it takes one but a very short time. In fact, I guarantee everything I claim and you pay nothing until you have received value in full.

Business Men, if you are perplexed over business matters or employer law suits, come and see me. I am the only medium in this country who understands the secret of psychological work; when only a child it was revealed to me that I was endowed with this heavenly gift, and I have devoted my entire life to this secret work. There is no mystery so deep that I cannot fathom, heart so sad I cannot gladden; my predictions and psychological work can be implicitly relied upon.

Family Troubles. Why be wretched and grope in the dark? I will locate an absent child, wife or husband. I will tell you who is false to you, who is deceiving you and who is true. I have saved many a home almost ruined by meddlesome neighbors. You don't have to tell me anything, for I will tell you all about it and never ask a question.

He stands alone in his unrivaled power to read the future of humankind. Strangely fascinating are the words that come from the lips of this most interesting man, whose journey of life has taken him through all the renowned psychic schools of Egypt, India and Europe. It seems indeed as if his knowledge must come from that mysterious world of which we all would learn, yet, longing, cannot know. He looks as far away into the dim, mysterious future, the great beyond—across the dark abyss which separates the human body from the fitting soul—and THAT WHICH IS TO BE is told—told with a clearness and precision that leaves no room for doubt. The innermost secrets of your life are laid bare to his mysterious perceptive mind, and while he gives names, dates, facts and figures, his visitor sits dumfounded at the revelations that he makes. Consult him to-day. To-morrow may be too late. Readings 50c, \$1.00. Hours, 10 a. m. to 9 p. m. Place, 6 Barre street, Montpelier, Vt.
